

# 2009 Course Summary Sheet

## ■ Graduate Certificate in Built Environment and Engineering (BN85)

This document will assist you with the selection of your study program and completion of your enrolment. Other useful information can be found on the Student Services website [studentservices.qut.com/](http://studentservices.qut.com/), which can also be accessed via the Online Enrolment portlet.

**Abbreviated Title:** GradCertBltEnv&Eng

**Location:** Gardens Point campus

**Course Duration:** 1 semester full-time, 1 year part-time

**Total Credit Points:** 48

**Standard Credit Points/Full-time Semester:** 48

**Course Coordinator:** Associate Professor Jay Yang

**Contact Details:** Email [bee.enquiries@qut.com](mailto:bee.enquiries@qut.com) or phone 3138 1433

**Variations to the recommended study program require prior approval from the Course Coordinator.**

***Important Note: Please ensure you select the correct teaching period, class and location code for all units you are enrolled in. All units in this course have a location of Gardens Point and a class of Internal.***

**Limits on grades of 3:** A new policy concerning grades of 3 comes into effect from 1 January 2009 (QUT MOPP C/9.2). With effect from this date grades of 3 will no longer be considered a conceded or low pass but will be classified as a fail grade. Any grades of 3 awarded prior to 1 January 2009 will retain the conceded pass status and will be counted for graduation purposes up to the maximum number of grades of 3 permitted for your course. Grades of 3 incurred in units that commence after 1 January 2009 will not count towards your degree. The maximum number of pre-2009 grades of 3 permitted for this course can be found [here](#).

**All students are to follow the below course program, except for students wishing to advance to the UD50 Masters program. An alternate course program for these students is stated on page 2.**

### Full-time Course Structure Year 1, Semester 1

	Prerequisites	Credit Points	Contact Hrs/Wk
BEE Undergraduate Unit 1		12	3
BEE Undergraduate Unit 2		12	3
Other Faculty Postgraduate Unit A		12	3
Other Faculty Postgraduate Unit B		12	3

**All units to be approved by Postgraduate Coordinator prior to enrolment.**

### Part-time Course Structure

A part-time course structure will require completion of 1 BEE undergraduate level unit and 1 Other Faculty postgraduate level elective unit each semester (50% of standard load as above.)

If students wish to articulate into a Masters course in the Faculty of Built Environment and Engineering, they will need to choose from a list of pre-selected units that will provide background knowledge to their intended Master course. **Refer to [BN85 Information Sheet](#) for pre-selected unit enrolment.** Units are offered subject to appropriate enrolment numbers.

**Students intending to advance to the UD50 Master of Urban Development (Urban and Regional Planning), must follow the following program.**

**Full-time Course Structure  
Year 1, Semester 1**

**Credit  
Points      Contact  
Hrs/Wk      Semester  
offered**

**Select 4 units from the list below:**

UDN551	History of the Built Environment	12	3	1
UDN552	Population and Urban Studies	12	3	2
UDN553	Site Planning	12	3	1
UDN554	Planning Processes and Consultations	12	3	1
