IMPORTANT COURSE SPECIFIC ENROLMENT ADVICE

Blue Card Requirement - As soon as you enter your enrolment program for the course, you must either submit your Blue Card application to the QUT Student Centre or, if you already hold a valid Blue Card, submit an authorisation form to the Student Centre so that you may be registered with the Commission as a QUT student. You must hold a valid Blue Card that is registered with QUT to undertake activities in any unit which involve contact with children, including the required field studies blocks.

If you do not hold a valid card at the commencement of your field studies or have not applied for a renewal within the required time frame you will not be able to undertake your field studies and will need to be withdrawn from the unit (s). This may incur both financial and academic penalty depending on the date the application was submitted. The applications form is available at http://www.studentservices.qut.edu.au/enrol/course/spec_req/bluecard.jsp. It may take up to 16 weeks for the Commission to issue the Card.

Course Progression – students should attempt to follow the standard course progression as outlined on the Course Summary Sheet. Failure to do so could result in difficulties in unit selection. It is a student's responsibility to ensure they have met pre-requisite and co-requisite requirements when they select their enrolment program.

Internship - you are required to undertake an Internship unit as the final unit of study in this course. Permission to undertake this internship must be granted by the Queensland College of Teachers (QCT). If you have units other than those listed on the CSS for Year 4 semester 2, to complete prior to the start of your Internship you must seek course progression advice from your Course Administration Officer.

Failure of Units – students should be aware that failure of units may result in problems with course progression. It is the student's responsibility to redeem the failed grade(s) in a manner compatible with unit availability and practicum requirements.

Limits on grades of 3 A new policy concerning grades of 3 comes into effect from 1 January 2009 (QUT MOPP C/9.2). With effect from this date grades of 3 will no longer be considered a conceded or low pass but will be classified as a fail grade. Any grades of 3 awarded prior to 1 January 2009 will retain the conceded pass status and will be counted for graduation purposes up to the maximum number of grades of 3 permitted for your course. Grades of 3 incurred in units that commence after 1 January 2009 will not count towards your degree. The maximum number of pre-2009 grades of 3 permitted for this course can be found [here](#)

Maximum Completion time – 10 years
