Course Rules

The requirements for graduating are satisfactory (or better) performance in all prescribed units. The final mark for the course is determined on the basis of marks assigned in the following units:

Research Elective	PLUS the mark awarded for the Thesis	= FINAL RESULT *
HHB403 Literature Review		
Advanced Elective		

* Disclaimer: Please note that the final result is determined by the Honours Board. The Board reserves the right to make any necessary adjustments.

The Honours thesis will be marked by two assessors, one of whom will normally be external to QUT.

Limits on grades of 3: A new policy concerning grades of 3 comes into effect from 1 January 2009 (QUT MOPP C/9.2). With effect from this date grades of 3 will no longer be considered a conceded or low pass but will be classified as a fail grade. Any grades of 3 awarded prior to 1 January 2009 will retain the conceded pass status and will be counted for graduation purposes up to the maximum number of grades of 3 permitted for your course. Grades of 3 incurred in units that commence after 1 January 2009 will not count towards your degree. The maximum number of pre-2009 grades of 3 permitted for this course can be found [here](#).
