### Elective Units

Elective units should normally be chosen from the following list of approved honours electives. At least one of your three electives must be chosen from the list of advanced honours electives. You may enrol in at most one unit not listed below (including units offered by other Faculties) if your supervisor submits a request to the course coordinator indicating that said unit will directly support your honours dissertation. Please note that many units are only offered once per year and many have prerequisite requirements, so you will need to carefully plan ahead. If you are struggling to select suitable units from the lists below, please discuss it with your supervisor and course coordinator as soon as possible.

Information on availability is subject to change.
