■ Bachelor of Creative Industries (Drama) (KT32)

IMPORTANT NOTICE – KT32 is being phased out and will not be offered after December 2007. You must email ci.sso@qut.edu.au if you will not complete KT325 by the end of 2007 so suitable alternative arrangements can be made.

This document will assist you with the selection of your study program and completion of your enrolment. Other useful information can be found on Student Services website studentservices.qut.com which can be accessed via the Online Enrolment portlet.

Students who have previously completed tertiary study and who may be eligible for credit should contact drama@qut.edu.au prior to completing their on-line enrolment.

Location: Kelvin Grove campus

Course Duration: 3 years full-time

Total Credit Points: 288

Standard Credit Points per full-time semester: 48

Course Structure: The course consists of four Creative Industries Core Units, 12 compulsory Drama core units and 8 electives. It is compulsory to do four (4) elective units outside your Discipline, i.e. Performance Studies. Students may elect to use between four (4) and six (6) of their electives from either a Creative Industries Faculty or Faculty of Business Sub-Major or minor (see attached). Students may also use some of their electives to create a pathway in an area of interest within another QUT Faculty. This should be discussed with the Performance Studies Subject Area Coordinator prior to enrolment. Students not intending to pursue a sub-major or pathway may choose their non-Performance Studies units from the Creative Industries Faculty Undergraduate Elective List.

Tutorial/Seminar/Workshop/Rehearsal Allocations: Unless otherwise advised, students are required to allocate themselves to *drama* seminar/tutorial/rehearsal/workshop allocations via their Student Profile in QUT Virtual. Please note that not all Faculties / Schools use the Class Allocation system. Where this is the case, the tutorials are usually organised at that unit's lecture in Week 1.

Course Coordinator: Associate Professor Adrian Thomas

Subject Area Coordinator: Dr Sandra Gattenhof

COURSE SPECIFIC ENROLMENT ADVICE

Students are expected to enrol as per the standard structure outlined on this Course Summary Sheet, and are responsible for ensuring their unit selection is correct. Failure to do so may result in financial and academic penalties.

Underloads – it is not expected that you should underload – ie undertake less credit points than the standard semester load. If, however, your circumstances require you to undertake fewer units than the standard load, it may lead to difficulties in undertaking units in a timely manner later in the course. You are not permitted to enrol in and study less than 36 credit points per semester.

Overloads – it is not expected that you should overload – ie undertake more credit points than the standard semester load. If, however, your circumstances require you to overload you should be aware of the possible academic consequences of an increased study load. A GPA greater than 4 is required to undertake an overload. Please consult the Subject Area Coordinator.

Course Progression – students should attempt to follow the standard course progression as outlined on the Course Summary Sheet. Failure to do so could result in difficulties in unit selection. It is a student's responsibility to ensure they have met pre-requisite and co-requisite requirements when they select their enrolment program.

Maximum Number of Grades of Three: Limit of 36cp of grades of 3 maximum.

Maximum Time to Complete Degree: 10 years

Important Note: please ensure you select the correct teaching period, class and location code for all units you enrol in. All Drama units in your course have a location code of Kelvin Grove and a class code of Internal, unless otherwise specified.

Limits on grades of 3: A new policy concerning grades of 3 comes into effect from 1 January 2009 (QUT MOPP C/9.2). With effect from this date grades of 3 will no longer be considered a conceded or low pass but will be classified as a fail grade. Any grades of 3 awarded prior to 1 January 2009 will retain the conceded pass status and will be counted for graduation purposes up to the maximum number of grades of 3 permitted for your course. Grades of 3 incurred in units that commence after 1 January 2009 will not count towards your degree. The maximum number of pre-2009 grades of 3 permitted for this course can be found [here](#).
