Moving Between Courses

Domestic students in the Graduate Certificate in Medical/Surgical Nursing will be invited, upon successful completion of 48 credit points, to continue with studies in the Graduate Diploma in Nursing or Master of Nursing. You will be invited, via your student email address, to continue with the next stage of the program for the following teaching period. If you accept the option to articulate immediately, you will not be required to apply for academic credit as the units and grades achieved in the lower award will be transferred to the new course.
