

2009 Course Summary Sheet

■ Graduate Certificate in Lighting (on-shore) (PH62)

This document will assist you with the selection of your study program and completion of your enrolment. Other useful information can be found on the Student Services website studentservices.qut.com/, which can also be accessed via the Online Enrolment portlet.

Location: Gardens Point campus

Course Duration: 2 semesters (1 year) part-time (Internal and External)

Course Commencement: Course commences in July

Total Credit Points: 48

Standard Credit Points/Part-time Semester: 24

Course Coordinator: Associate Professor Ian Cowling, Phone 07 3138 2592, Fax 07 3138 9079, Room M219 Gardens Point, Email: i.cowling@qut.edu.au

Entry Requirements

(a) Bachelor level degree in an appropriate field

OR

(b) Demonstrated minimum of 3 years relevant experience in the lighting industry and successful completion of one or more recognised Introductory Courses in Lighting as determined by the Course Coordinator.

Note: Students with relevant experience in the lighting industry or recognised educational qualifications in lighting may be granted credit in PH62/PH63 to a maximum of 24 credit points.

Limits on grades of 3: A new policy concerning grades of 3 comes into effect from 1 January 2009 (QUT MOPP C/9.2). With effect from this date grades of 3 will no longer be considered a conceded or low pass but will be classified as a fail grade. Any grades of 3 awarded prior to 1 January 2009 will retain the conceded pass status and will be counted for graduation purposes up to the maximum number of grades of 3 permitted for your course. Grades of 3 incurred in units that commence after 1 January 2009 will not count towards your degree. The maximum number of pre-2009 grades of 3 permitted for this course can be found [here](#).

Important Note: Please ensure you select the correct teaching period, class and location code for all units you are enrolled in. All units in this course have a location of Gardens Point and a class of Internal.

Course Structure

To complete the Graduate Certificate in Lighting, students must complete the units listed below (total 48 credit points)

		Credit Points	Contact Hrs/Wk	Prerequisite(s)	Corequisite(s)
Year 1, Semester 2 (July to October)					
PCN121	Vision Colour and Photometry	12			
PCN124	Lamps and Luminaires	12			PCN121
Year 2, Semester 1 (February to June)					
PCN122	Lighting Design	12		PCN121	
PCN123	Sustainability and Human Factors	12			

PH62 is offered part-time comprising a lecture/tutorial format, and where appropriate practical and field work. Some units will have a significant computer-design type component and all units will incorporate learning through assignment work, all of which will be incorporated into the assessment program. Most units in the internal mode will be offered in block format on weekends.

Domestic students in the Graduate Certificate in Lighting (PH62) will be invited, on successful completion of 48 credit points, to continue with studies in the Graduate Diploma in Lighting (PH72), or can enrol directly in Master of Lighting (PH82).

International students wishing to change courses should consult International Student Business Services.
