IMPORTANT COURSE SPECIFIC ENROLMENT ADVICE

Students are expected to enrol as per the standard structure outlined on this Course Summary Sheet, and are responsible for ensuring their unit selection is correct. Failure to do so may result in financial and academic penalties.

Underloads and Overloads: Students are not permitted to overload or underload in this course.

Course Progression: Students should follow the standard course progression as outlined on the Course Summary Sheet. Failure to do so could result in difficulties in unit selection.

Commencing Students: Commencing students are required to enrol as specified in the University's letter of offer in regards to their course, attendance mode, campus, and where applicable, major.

Limits on grades of 3: A new policy concerning grades of 3 comes into effect from 1 January 2009 (QUT MOPP C/9.2). With effect from this date grades of 3 will no longer be considered a conceded or low pass but will be classified as a fail grade. Any grades of 3 awarded prior to 1 January 2009 will retain the conceded pass status and will be counted for graduation purposes up to the maximum number of grades of 3 permitted for your course. Grades of 3 incurred in units that commence after 1 January 2009 will not count towards your degree. The maximum number of pre-2009 grades of 3 permitted for this course can be found [here](#).

Important Note: Please ensure you select the correct teaching period, class and location code for all units you are enrolled in. Class Code EXTS = External School Based.
