

## Real Options 2008: Supplementary Tables

### How to convert postgraduate study into rank

*This table shows how completed honours, masters and higher degree studies are converted into a rank. Incomplete qualifications, as well as completed and incomplete graduate certificates and graduate diplomas, are assessed as per the appropriate supplementary [table available](#) at [realoptions.qut.com](http://realoptions.qut.com)*

| Grade Point Average<br>(7-point scale) | Course Level/Rank <sup>a</sup> |  |   |
|--|--------------------------------|--|---|
|  | 2B Honours <sup>b,c</sup>      | Higher Degrees by<br>Coursework <sup>b,c</sup> | 2A or 1st Honours,<br>Masters by thesis, PhD<br>and Higher Degrees <sup>b,c</sup> |
| 6.50+                                  | 99                             | 99   | 99  |
| 6.00 – 6.49                            | 98                             | 98   | 99  |
| <5.99                                  | 97                             | 98   | 99  |

<sup>a</sup> 3rd class honours, graduate certificate, graduate diploma, postgraduate qualifying and comparable courses are assessed as per the appropriate supplementary [table available](#) at [realoptions.qut.com](http://realoptions.qut.com)

<sup>b</sup> Incomplete qualifications are assessed as per the appropriate supplementary [table available](#) at [realoptions.qut.com](http://realoptions.qut.com)

<sup>c</sup> Honorary qualifications are not assessed for admission purposes.
